# Goals

Get a job in the tech industry.

Start my own business.

Post-experiment: Tools, charts, something
that shows progressive torwards their goals.

Goals

Set Your Goals

Take a moment and set your goals. Setting goals helps Treehouse tailor the learning experience to your needs. We will show you the steps to reach your goals. Choose as many as you'd like!

- ☐ Get a job in the tech industry.
- ☐ Advance within my current role.
- ☐ Create my own app.
- ☐ Start my own business.
- ☐ Brush up on my code and/or design skills.
- ☐ I'm not sure yet.
